NOTICE OF PROPOSED COMMUNICATIONS TOWER CONSTRUCTION

The Tennessee Department of Safety is planning to construct a communications tower in Cannon County, TN. Vertical Structures, Inc. has petitioned the Federal Communications Commission for an Antenna Structure Registration utilizing Form 854 with a filing number of A1383504. The tower will be located on West Main Street in Auburntown, TN 37016. Coordinates of the location are 35° 56' 48.79" N, 86° 6' 20.42" W. The project consists of the construction of a 300' tall self-support lattice tower plus appurtenances that will increase the communications coverage of the Tennessee Advanced Communications Network (TACN). The tower will be located within a fenced in compound measuring 80'x80'. The tower will be lit with a dual red-white medium intensity lighting system. Interested persons can review this application by going to: www.fcc.gov/asr/ applications and entering the Form 854 file number of A1383504. Persons who may have environmental concerns about this structure are able to raise such concerns by filing a Request for Environmental Review with the Federal Communications Commission. The Federal Communications Commission strongly encourages interested parties to file a Request for Environmental Review. Interested persons can file a Request for Environmental Review at www.fcc.gov/asr/environmentalrequest.
